

STATE REGULATIONS FOR EXTENDED DAY

All children who attend Extended Day on a regular or drop-in basis must have a completed registration form on file. The attached registration forms must be completed and returned before your child can stay in Extended Day. All information should be completed before the form is valid.

Children must be picked up in the Extended Day Classroom.

Children may not attend Extended Day if they have any illness or communicable disease. If a child becomes ill in Extended Day, the parents will be called and the child must be picked up.

Only children who are enrolled at Brookstone may use the Extended Day Program.
